

A Special Message from Your Principal

Dear Parents and Guardians of St. Joseph School,

As St. Paul states in his letters, “Daily, I thank my God for you.” I so much appreciate your choosing St. Joseph School for your child’s education, and pray you have a blessed Thanksgiving Holiday.

As this month is dedicated to *Gratitude*, I must thank the following parents who have donated hundreds, if not thousands of volunteer hours to St. Joseph School over the years. These fine people have, or will graduate their youngest or only child this year, thus leaving our School Advisory Committee and our Parent Club truly short-handed. **Mrs. Mary Bohlen, Mrs. Debbie Hart, and Dr. Stephen Martin** will be leaving the School Advisory Committee when Hannah, Sam, and Taylor graduate this year.

Mr. Bill Bach and Mrs. Mary Ann Bach have been a tremendous help with Technology, the Website, Parents’ Club activities, 8th grade dinner dance, etc. Billy will be graduating.

Mr. John Mulholland and Mrs. Tina Mulholland will graduate their younger child, Shannon this year. They have been very involved in the Athletic Committee, Parents’ Club, and most especially, the *Manna Program*. Tina has worked with Manna since its inception, and is the “glue” which keeps the program so successful.

Mr. and Mrs. Bill McGovern will graduate Colleen, their younger daughter, and they have been involved in the Athletic Program, Parents’ Club, etc. over the years.

Mr. and Mrs. Tom Andres, Mr. and Mrs. Joe Santschi, and Mr. and Mrs. Brian Werner have already graduated their youngest children, but still come back to help with Athletics and the Fish Fry Program.

Guess What???????????

We Need YOU! Catholic Schools are not-for-profit institutions which run on a shoestring. Unfortunately, you pay high tuition, and that barely covers the cost of payroll alone. St. Joseph Church pays about 20% of our hidden costs, such as utilities and insurance. FUNDRAISING has always kept Catholic Schools afloat, and volunteers have been the link between children, families, the school activities, and success.

I am going to ask *you* to get involved. I ask you to look at the following opportunities for volunteerism, and mark those you may be interested in. We believe in the Scriptural Value of *Stewardship: Sharing Time, Talent, and Treasure.*

_____ **School Advisory Committee – one meeting per month**

Publicity, Recruitment, Financial Advice, Marketing Expertise, Business Experience

_____ **Alumni Program**

_____ **Parents' Club – monthly meeting**

_____ **Book Fair**

_____ **Dances**

_____ **Manna**
